

MANDATORY PERSONAL PROTECTIVE EQUIPMENT

SAFEBASE PPE REQUIREMENTS

WEAR THE CORRECT PPE BEFORE STARTING WORK

01

HEAD PROTECTION

- Wear an approved and undamaged safety helmet.
- Use a chin strap where required.

02

EYE AND FACE PROTECTION

- Wear safety glasses with side protection.
- Use a face shield for grinding and cutting.

03

HAND PROTECTION

- Select gloves suitable for the task and hazard.
- Replace damaged or contaminated gloves.

04

FOOT PROTECTION

- Wear suitable safety footwear.
- Check slip and penetration resistance.

05

HEARING PROTECTION

- Use earplugs or earmuffs in noisy areas.
- Confirm the protection is fitted correctly.

06

WORKING AT HEIGHT

- Use a full-body harness.

BEFORE STARTING WORK

- ✓ Inspect your PPE
- ✓ Select task-specific PPE
- ✓ Do not use damaged PPE
- ✓ Do not work with missing PPE
